Without sponsors like you, the Flint Hills Beef Fest would not be possible. In return for your support, we work hard to promote the event and our sponsors to add value to your sponsorship. In 2019, we will continue to offer the Platinum sponsor level with added marketing and promotional benefits and special reserved seating options in addition to the option to select benefits that best suit your marketing advantage. This is in addition to the advertising and promotional benefit of reaching your target audience — the cattlemen and rural enthusiasts of the Flint Hills Region — through the Beef Fest’s advertising budget and public relations efforts.
